can party for United States Senator, and continued to bolt until Dr. Hunter was forced to resign the caucus nomination to prevent this man, (who was then a Senator from Louisville, and elected upon a written pledge signed by himself to support the Republican nominee) from "flopping" over into the democratic party and voting for Joe Blackburn for United States Senator.

The Echo is trying by all possible means to drag down Gov. Bradley into this matter when everybody knows that Bradley has nothing to do with making the nomination in the Eleventh district, as he is not even a residence of the district himself. We all admire Gov. Bradley and recognize him as a great party leader, and even if he did furnish the money with which the present management of the Echo was bought, we do not see the necessity of dragging him into this campaign, and we are sure he would much prefer to be left entirely alone.

The Echo charges that Dr. Hunter secretly worked for the defeat of Bradley in 1895, this sounds ridiculous to anyone, as the returns showed that Bradley ran ahead of the ticket all the way over the state, and if Dr. Hunter was trying to defeat him why was it that the effort did not show up somewhere? Dr. Hunter surely had some influence in the State, and if the charge alleged be true it surely would have borne some fruits anyway. We think Bro. Linney has allowed himself to "get in" bad in this contest in his efforts to turn the tide that is drifting in favor of Dr. Hunter, and now he has become desperate and resorted to "mud slinging" to try to save the Laurel county man, but it will all go for naught, Dr. Hunter will go back to Congress again from the Eleventh District and will still be honored, and his name respected throughout the district, when the Echo Editor has retreated back to Louisville, and the people have forgotten that he even lived in this district.

**ONE FULL QUART OF WHISKEY FREE**

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the Largest Mail Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here wouldn't adulterate if they knew how—they are too honest. Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any known competitor. "Casper's 11 Year Old Whiskey" is a "liquid joy." It is made by honest "farriers" in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$2.00 to \$4.00 per gallon, but it's not any better than "Casper's 11 Year Old." It isn't pure or we will buy it back. We have a capital of \$100,000.00 and the Postmaster Savings Bank of this city will tell you our word is good. To introduce this good, honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles, one 15 one 15 year old—a corkcreeper and a drinking glass—all for \$2.95. If \$2.95 is sent we will double the above and put in free One Full Quart Extra. We have some of this whiskey only Years old and will send five-gallon kegs for \$10 or will furnish twenty full quart bottles on receipt of \$1 and give free corkcreeper, drinking glasses and samples, making this whiskey cost less than \$2.30 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and Prepay all Express. Orders from Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Wyoming or Washington must call for \$20.00 worth by freight prepaid.
